The Financial Services Commission, Mauritius (the “FSC”) has signed the Administrative Arrangement (“AA”) for the transfer of personal data between European Economic Area (“EEA”) Authorities and non-EEA Authorities on 01 September 2021 and has been added to the Master List of Appendix B signatories published on the International Organization of Securities Commissions (“IOSCO”) website.

The purpose of the AA is to provide safeguards for the transfer of personal data from European Union (“EU”) IOSCO authorities to non-EU IOSCO authorities.

It is intended to supplement, but not conflict with, the IOSCO Multilateral Memorandum of Understanding Concerning Consultation and Cooperation and the Exchange of Information (“MMoU”), Enhanced MMoU and other arrangements.

The signature of the AA by the FSC depicts the FSC’s commitment to adhere to international standard pertaining to data protection.
About the FSC

The FSC is the integrated regulator for the non-banking financial services sector and global business.

The vision of the FSC is to be an internationally recognised Financial Supervisor committed to the sustained development of Mauritius as a sound and competitive Financial Services Centre.

In carrying out its mission, the FSC aims to promote the development, fairness, efficiency and transparency of financial institutions and capital markets in Mauritius; suppress crime and malpractices so as to provide protection to members of the public investing in non-banking financial products; and ensure the soundness and stability of the financial system in Mauritius.
