INVESTOR ALERT: IQFX TRADERS

It has come to the attention of the Financial Services Commission, Mauritius (the “FSC”) that an entity bearing the name of IQFX Traders is FALSELY claiming on its website (IQFX TRADERS - The pathway to greater heights), that it is a registered brand name of Exinity Limited, regulated by the FSC.

The FSC hereby informs the public that IQFX Traders and/or any other individuals/representatives or promoter groups operating under this name are not and have not, at any point in time, been licensed and regulated by the FSC. The latter also wishes to highlight that the license number is fake.

The FSC therefore urges the public to exercise caution when dealing with IQFX Traders and with any other associated individuals and/or entities allegedly claiming to be licensed/authorised/registered with the FSC.

The public is encouraged to consult the Register of Licensees available on the FSC website for persons/entities duly licensed/authorised/registered under the relevant Acts on the following link: https://www.fscmauritius.org/en/being-supervised/register-of-licensees and/or to contact the FSC for more clarifications on fscmauritius@intnet.mu.

About the FSC

The FSC is the integrated regulator for the non-banking financial services sector and global business.

The vision of the FSC is to be an internationally recognised Financial Supervisor committed to the sustained development of Mauritius as a sound and competitive Financial Services Centre.
In carrying out its mission, the FSC aims to promote the development, fairness, efficiency and transparency of financial institutions and capital markets in Mauritius; suppress crime and malpractices so as to provide protection to members of the public investing in non-banking financial products; and ensure the soundness and stability of the financial system in Mauritius.
