

COMMUNIQUÉ

FSC issues Guidelines on Cloud Computing Services for Public Consultation

In line with its transparent rule-making process, the Financial Services Commission, Mauritius (“FSC”) is issuing the draft [Guidelines on Cloud Computing Services](#) (the “Draft Guidelines”) for public consultation.

The primary objectives of the draft Guidelines are to provide best practices to be adopted by licensees of the FSC when adopting cloud computing services.

Stakeholders of the financial services industry and the public are hereby invited to submit their comments/feedback on the draft Guidelines, by email at fintechconsultation@fscmauriti.us.org **not later than 21 July 2023**.

The proposals made and ideas expressed in the draft Guidelines do not reflect the final stand of the FSC. The draft Guidelines may be revised in light of the views and comments received during the public consultation exercise.

About the FSC Mauritius

The FSC Mauritius is the integrated regulator for the non-banking financial services sector and global business.

The vision of the FSC Mauritius is to be an internationally recognised financial supervisor committed to the sustained development of Mauritius as a sound and competitive financial services centre.

In carrying out its mission, the FSC Mauritius aims to promote the development, fairness, efficiency and transparency of financial institutions and capital markets in Mauritius; suppress crime and malpractices so as to provide protection to members of the public investing in non-banking financial products; and ensure the soundness and stability of the financial system in Mauritius.
