COMMUNIQUÉ

FSC Policy Research Group (PRG) Programme

The programme aims to provide an opportunity to policy researchers and academics to conduct research studies in the areas of non-bank financial markets and services in Mauritius.

The Commission is inviting expressions of interest to the programme to conduct research on any of the following topics:

i. A study on the development of Mauritius as a mid-shore financial jurisdiction for the future.
ii. A survey analysis for the scopes of securitisation in Mauritius.
iii. A feasibility study for a social investment market in Mauritius.
iv. An assessment of the scopes for innovative and ‘peer-to-peer’ financing in Mauritius.
v. A study on the scopes and potentials of wealth management for private banking and investment banking in Mauritius.
vi. A feasibility study of a regional passport system for either raising of capital or for investment funds in Africa.
vii. An econometric study of an aggregate financial stability index for Mauritius.
viii. A quantitative study of systemic risks and stability of the insurance sector in Mauritius.
ix. A study on the development and application of ‘credible deterrent’ enforcement policies by a competent financial regulator/authority in Mauritius.
x. A stakeholders’ study for the revamp of the Protected Cell Companies’ legislation in Mauritius.

The applications shall be submitted online, on or before Friday 15th January 2016. For further information and assistance, please visit www.fscmauritius.org/prg or email us at prg@fscmauritius.org.
