The **Financial Services Commission (Mauritius)** is proud to be hosting a training programme on the “**Effective Oversight of Capital Markets: Compliance, Examinations, Investigations and Prosecutions of Securities Fraud and Abuse**”, in collaboration with the **United States (US) Securities and Exchange Commission (SEC)** from the **5th August 2013 to 8th August 2013**.

This training programme will feature renowned speakers from the US SEC and will cover best practices in the oversight of capital markets to maximize both investor protection and market development. The speakers will emphasize practical solutions to common market problems and abuses, including how to address pyramid and Ponzi schemes. The program will also feature several case studies.

Please note that participation to the training programme is by invitation only.
