Young Talent Competition 2013

The Financial Services Commission ('FSC') launched the second edition of Young Talent Competition ('YTC') on 15 February 2013. The Competition was officially launched by the FSC Chief Executive Ms. Clairette Ah-Hen at the FSC House. The theme for the 2013 edition is *"Mauritius Insurance Industry in year 2020: What will make the insurance sector successful in meeting the changing needs of the young generation of consumers?"* The objective is to improve awareness and understanding of the insurance sector among the young generation to enable better decision making as consumers of financial services.

The FSC received **76 entries** for the YTC 2013. Secondary students submitted projects and creative works (video clip, slam and brochure) while tertiary students submitted projects and research paper. Following an initial assessment, shortlisted candidates were called for a *viva voce* session on 11 and 12 June 2013 before a jury panel comprising of experts, mainly from the insurance sector.
