Regional Training Programme for
Pensions Supervisors:
Developing Practical Approaches to
Risk Based Supervision

The **Financial Services Commission, Mauritius** is proud to be hosting a Regional Training Programme for Pensions Supervisors: Developing Practical Approaches to Risk Based Supervision, in collaboration with the **Toronto Centre** from the **10 to 14 November 2014**.

The program is designed as a course on a risk focused approach to pension supervision. Within the framework of a risk based supervisory approach, case studies and vignettes will be used to identify the chronology of problem evolution, identification of risks and fraud. The program will be highly interactive and practical, using case studies, a simulation, group discussions, and breakout sessions to foster debate and effectively transfer knowledge from presenters and amongst participants

Please note that participation to the training programme will be by invitation only.
