The Role of Credit Rating Agencies in the Corporate Bond Market

The Financial Services Commission (“FSC Mauritius”) is developing a regulatory regime for credit rating agencies (“CRAs”), one of the factors which support the development of the corporate bond market.

Questionnaire

The FSC Mauritius is issuing three questionnaires for [bond issuers](#), [investors](#) and [credit rating agencies](#) respectively to gather data which will assist the FSC Mauritius in developing the regulatory regime for CRAs. It is inviting the responses to the questionnaires to be emailed to crasurvey@fscmauritius.org by 30 May 2014.

FAQs

The FSC Mauritius is also issuing a list of [Frequently Asked Questions](#) to inform the public about CRAs and the IOSCO Objectives and Principles governing the regulation of the activities of CRAs.
