### **Update on Recruitment of Senior Level Positions**

The Financial Services Commission (FSC) wishes to thank all candidates who have applied for the Senior Level Positions advertised recently.

We have received numerous applications which have now been processed and the best candidates have been shortlisted based on their relevant qualifications and experience.

The shortlisted candidates have been contacted for the next stage of the process which is psychometric assessments. This process has been outsourced to a HR Specialist Firm.

The following stage will be the conduct of interviews by a panel comprising inter alia, international experts. The interviews have been scheduled for the Week starting 14 April 2014.

We once again wish to thank all applicants for their interest to join the FSC.
