

COMMUNIQUÉ

The Financial Services Commission, Mauritius (the “FSC Mauritius) warns its licensees and the public at large against phishing and scam emails supposedly issued by the Financial Services Commission, Mauritius.

The Financial Services Commission Mauritius wishes to caution its licensees against emails which are using the names and logo of FSC Mauritius without authorisation from a virv.ca domain email account, whereby Management Companies are informed about the incorporation of a new policy in transaction and requested for mandatory review of a document shared on cloud.

Licensees are hereby informed that these emails are fraudulent in nature and are being used to defraud Management Companies in particular. They are reminded to ignore such emails and to refrain from replying and giving any information under any circumstances.

Should any licensee or member of the public have any doubts about the authenticity of an email, letter or telephone communication purportedly from, or on behalf of the Financial Services Commission Mauritius and/or its representatives, they are advised to send an email to fscmauritiu@intnet.mu to request for advice, before taking any further action.
