INTRODUCTION

Pursuant to section 6(j) of the Financial Services Act 2007, one of the functions of the Commission is to “collect, compile, publish and disseminate statistics in respect of the financial services and global business sectors”

IMF SDDS PLUS

- Effective 16 March 2026, Mauritius has become the 1st African country to join a select group of 31 countries worldwide subscribing to the IMF's Special Data Dissemination Standards (SDDS) Plus. It is the first country in Africa and the 32nd country globally to achieve this milestone in data transparency.
- By adhering to the SDDS Plus, Mauritius meets the most rigorous standards for the dissemination of essential macroeconomic and financial data on the state of the economy and its financial linkages, as established in the IMF's Data Standards Initiatives. This achievement underscores the country's strong commitment to data transparency vis-à-vis the public, markets, and the international community.

DIMENSIONS OF DATA DISSEMINATION
