Communiqué: DistributeX

The Financial Services Commission, Mauritius (FSC) wishes to draw the attention of the members of the public to the Investor Alert issued concerning **DistributeX**, published on 30 April 2026.

The FSC notes that following the publication of the Investor Alert, members of the public are increasingly querying whether **DistributeX** is licensed and regulated by the FSC.

While **DistributeX** is operating through its website (https://dx9001.com/#/register?code=8YYF95Q), the FSC further notes that it is also accessible through a mobile application.

In addition, the FSC has observed that **DistributeX** appears to be conducting its activities from numerous offices in different locations across Mauritius and has been inviting the public to attend online meetings as well as recurrent in-person gatherings, which it describes as "*official employee meeting*," organised across Mauritius.

Members of the public are urged to pay particular attention to investment offers displaying the following features which are normally associated with pyramid schemes, particularly:

- Participation which requires an advance financial contribution;
- Incentivising existing members to recruit new participants; and
- Prospect of earning high returns through a structured membership programme.

Accordingly, the FSC advises the public to be extremely cautious and to carefully assess the associated risks prior to participating in such schemes.

The FSC wishes to reiterate that **DistributeX** and/or any other **individuals** or **representatives** or **promoter groups** operating under this name **are not and have not, at any point in time, been licensed and regulated by the FSC**. The FSC is collaborating with competent authorities on this matter.

Consumers of financial services are encouraged to seek independent professional advice prior to engaging in any investment activities and to consult the Register of Licensees available on the FSC website for persons/entities duly licensed/authorised/registered under the relevant Acts on the following link: https://www.fscmauritius.org/en/supervision/register-of-licensee and/or to contact the FSC for more clarifications on mail@fscmauritius.org.

About the FSC

The FSC is the integrated regulator for the non-banking financial services sector and global business.

The vision of the FSC is to be an internationally recognised Financial Supervisor committed to the sustained development of Mauritius as a sound and competitive Financial Services Centre.

In carrying out its mission, the FSC aims to promote the development, fairness, efficiency and transparency of financial institutions and capital markets in Mauritius; suppress crime and malpractices so as to provide protection to members of the public investing in non-banking financial products; and ensure the soundness and stability of the financial system in Mauritius.
